INCREASE ATTENDANCE & SPONSORSHIPS WITH THE ONLY 6 SHIP T-28 WARBIIRD FORMATION AEROBATIC DEMO TEAM

Every air show audience survey to date clearly demonstrates that, after the three military jet teams, **your audience favors warbirds and demo teams**. The Trojan Horsemen combine **both** these elements to attract and retain a larger audience for your show, and with the added attraction of a patriotic theme.

The team's repertoire includes both 4-ship and 6-ship formation demonstrations including formation aerobatics by the 2 solo pilots. The routine is a patriotic tribute to the United States Armed Forces with music and narration, and can also include a very stirring Missing Man tribute.

The team is built around the T-28 Trojan aircraft for several reasons. The T-28 is a crowd pleasing large, fast and loud warbird with combat history and a growling 1425 HP radial engine. Six of these warbirds have a commanding presence on your ramp and generate excitement in the air. The aircraft have smoke systems and sport authentic U.S. Air Force and U.S. Navy paint schemes and markings to compliment the patriotic theme.

The 16-member team consists of former military pilots, decorated veterans, instructors, airline pilots, and experienced civilian air show pilots with hundreds of years combined experience, unblemished safety records and all required credentials. Some of the shows in which the team or one or more of its members have participated include: Thunder Over Louisville; NAS Oceana; Sheppard AFB; Arnold AFB; Millville Army Airfield; Chesterfield County VA; Seymour Johnson AFB; Scott AFB; Cherry Point MCAS; Little Rock AFB, Celebrate Freedom Foundation SC; Springfield Air Rendezvous; Randolph AFB; Corpus Christi NAS; Pensacola NAS; Wings over Verango; Cape Girardeau IL; Fina-CAF; Sun-N-Fun, AirVenture, Cincinnati Lunken; and more.
